FIG. 1

Fig. 1 is a perspective view of a portable, foldable table or desk. The structure includes a base frame with a single large wheel at the rear and a front leg assembly. The top surface is composed of several rectangular panels, some of which are hinged to the frame. A large, curved, hinged panel is shown in an open position, revealing the internal support structure. Various components are labeled with reference numerals: 10 for the front leg, 20 for the base frame, 30 for the rear wheel, 40 for the top panel, 50 for the internal support structure, 60 for the hinged top panel, 70 for the hinge mechanism, 80 for the side panel, 90 for the front panel, and 100 for the rear panel.
